

S and S DJ Solutions

Weddings, Wedding Receptions, Anniversaries, Birthdays, School and Formal Dances, Fund Raisers, Charity Events, Car Shows, Block Parties, Backyard Karaoke, Christmas, Halloween and Other Holiday Parties

Shannon Smith - Kirt Dunwoody

We offer the best in sound quality, emcee, lighting and more to make your event exactly how you want it. We pride ourselves in having the music you want. We design your party with great care and professionalism.

Packages and Pricing**

(If the party has a dinner – we include 1 free hour background music with all of these packages – anything over the designated time is \$100 per half hour)

All Packages contain everything we have including lights, music, haze machine, projector, emcee, setup and tear down of equipment.

- Standard DJ Package - \$450 (4 Hours of Entertainment with lights and sound)
- Standard DJ Package Plus - \$550 (same as Standard DJ Package plus we play the music for your wedding and your reception and provide a mic for the officiate)
- Standard DJ Package with Karaoke - \$500 (4 Hours with Karaoke – Check out our Karaoke Play List online)

We ask for a \$100 deposit when you decide you wish to use us. This will apply towards the final bill. So at the end of the night of the event, we would collect the remaining balance. You may also pay along the way. We offer 3 ways to pay: Cash, Check or PayPal.

We have enclosed our Wedding Reception DJ Questionnaire and contract. This form helps us make sure we have everything we need to have a great reception! We always meet with our clients prior to the big event to make sure we have exactly what you are looking for.

You can get the same information and pictures of our typical setup and some events we've done from our website @ www.sandsdjsolutions.com

If you wish contact us and discuss this further or set up a meeting you may email us at dj@sandsdjsolutions.com or call/text one of us at the numbers below.
